Dear Mr. Popovich:

This will serve to respond to your correspondence of November 14, 2008, wherein you provide notice of lost policy on behalf of your client Linnton Plywood Association (Linnton), to General Insurance Company of America (General), pursuant to the Oregon Environmental Cleanup Assistance Act, ORS 465.475 et al. (the Act) for policies issued by General to Linnton.

As previously discussed, General's search for policy information relative to the Linnton policies has failed to locate complete copies of the subject policies, and therefore has been unable to fully confirm the complete terms, conditions, endorsements and policy limits applicable to the subject policies.

General has confirmed that it has issued the following policies identified in the table below. Each year of coverage provided a limit of \$100,000 per occurrence and \$100,000 aggregate in property damage liability.

4. LIMITS OF LIABILITY

For the purpose of determining the limit of the company's liability, all bodily injury and property damage arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one occurrence.

Regardless of the number of insureds under this policy, the company's liability is limited as follows:

(a) Combined Limits Plan

The limit of liability under the Combined Limits Plan expressed in the declarations as applicable to "each occurrence" is the total limit of the company's liability under the bodily injury liability and property damage liability coverages combined for all damages as the result of any one occurrence provided:

- (1) with respect to damages included within the (i) completed operations hazard and the (ii) products hazard, such limit of liability shall be the total limit of the company's liability during each annual policy period as the result of one or more than one occurrence;
- (2) with respect to all damages arising out of property damage (other than the completed operation hazard, or the products hazard) such limit of liability shall be the total limit of the company's liability during each annual policy period as the result of one or more than one occurrence, but said limit of liability shall apply separately to each project with respect to operations being performed away from premises owned by or rented to the insured;
- (3) with respect to any occurrence for which the notice of this policy is given in lieu of security, or when when this policy is certified as proof of financial responsibility under the provisions of the motor vehicle financial responsibility law of any state or province, such limit of liability shall be applied in accordance with the applicable terms of such law, except that the total limit of liability shall not be reduced.

(b) Divided Limits Plan

Aggregate limits of liability as stated in this policy shall apply separately to each annual policy period.

insured will be done in a workmanlike manner;

"insured premises" for Coverage E, means all premises owned by or rented to the named insured with respect to which the named insured is afforded coverage for bodily injury liability under this policy, and includes the ways immediately adjoining on land;

The injured person shall submit to physical examination by physicians selected by the company when and as often as the company may reasonably require. The company may pay the injured person or any person or organization rendering the services and the payment shall reduce the amount payable hereunder for such injury. Payment hereunder shall not constitute an admission of liability of any person or, except hereunder, of the company.

POLICY CONDITIONS AND DEFINITIONS

GENERAL CONDITIONS

The following Conditions apply except as otherwise indicated. Additional Conditions or modifications of the following Conditions may appear in the specific coverage sections.

- 1 **Premium.** All premiums for this policy shall be computed in accordance with the company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

If this policy is issued for a period in excess of one year with a specified expiration date and a premium is payable at each anniversary, such premium shall be determined annually on the basis of the rates in effect at the anniversary date.

If this policy is issued for a period without a specified expiration date, it may be continued by payment of the required premium for the succeeding annual period. Such premium must be paid to the company prior to each anniversary date; if not so paid, this policy shall expire on the first anniversary date that the said premium has not been received by the company.

- 2 **Time of Inception.** To the extent that coverage in this policy replaces coverage in other policies terminating upon standard time on the inception date of this policy, coverage under this policy shall not become effective until such other coverage has terminated.

- 3 **Cancellation.** This policy may be canceled by the named insured by surrender thereof to the company or any of its authorized agents or by mailing to the company written notice stating when thereafter the cancellation shall be effective. This policy may be canceled by the company by mailing to the named insured at the mailing address shown in the Declaration, written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

If the named insured cancels, the company shall, upon demand and surrender of this policy, refund the excess of paid premium above the customary short rates for the expired time. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

Notice of cancellation addressed to the named insured and mailed to the mailing address shown in the Declaration shall be sufficient notice to effect cancellation of this policy.

- 4 **Concealment or Fraud.** This policy is void if any insured has intentionally concealed or misrepresented any material fact or circumstance relating to this insurance.

- 5 **Assignment.** Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon. However, if the named insured shall die, this insurance shall apply

- (a) to the named insured's legal representative, as the named insured, but only while acting within the scope of his duties as such; or
- (b) to the person having temporary custody of the property of the named insured but only until the appointment and qualification of the legal representative.

- 6 **Subrogation.**

- (a) In the event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery against any person or organization and the insured shall execute and deliver instruments and papers and do what ever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.
- (b) The company shall not be bound to pay any loss if the insured has impaired any right of recovery for loss, however, it is agreed that the insured may

- (1) as respects property while on the premises of the insured, release others in writing from liability for loss prior to loss, and such release shall not affect the right of the insured to recover hereunder; and

- (2) as respects property in transit, accept such bills of lading, receipts or contracts of transportation as are ordinarily issued by carriers containing a limitation as to the value of such goods or merchandise.

- 7 **Inspection and Audit.** The company shall be permitted but not obligated to inspect the named insured's property and operations at any time. Neither the company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking on behalf of or for the benefit of the named insured or others to determine or warrant that such property or operations are safe or healthful or are in compliance with any law, rule or regulation.

The company may examine and audit the named insured's books and records at any time during the policy period and extensions and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

- 8 **Liberalization Clause.** In the event any filing is submitted to the insurance supervisory authorities on behalf of the company, and:

- (a) the filing is approved or accepted by the insurance authorities to be effective while this policy is in force or within 45 days prior to its inception; and

- (b) the filing includes insurance forms or other provisions that would extend or broaden this insurance by endorsement or substitution of form, without additional premium;

the benefit of such extended or broadened insurance shall inure to the benefit of the insured as though the endorsement or substitution of form has been made.

- 9 **Insurance Under More Than One Coverage, Part or Endorsement.** In the event that more than one coverage, part or endorsement of this policy insures the same loss, damage or claim, the company shall not be liable for more than the actual loss or damage sustained by the insured.

- 10 **Waiver or Change of Provisions.** The terms of this insurance shall not be waived, changed or modified except by endorsement issued to form a part of this policy.

4. LIMITS OF LIABILITY

For the purpose of determining the limit of the company's liability, all bodily injury and property damage arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one occurrence.

Regardless of the number of insureds under this policy, the company's liability is limited as follows:

(a) Combined Limits Plan

The limit of liability under the Combined Limits Plan expressed in the declarations as applicable to "each occurrence" is the total limit of the company's liability under the bodily injury liability and property damage liability coverages combined for all damages as the result of any one occurrence provided:

- (1) with respect to damages included within the (i) completed operations hazard and the (ii) products hazard, such limit of liability shall be the total limit of the company's liability during each annual policy period as the result of one or more than one occurrence;
- (2) with respect to all damages arising out of property damage (other than the completed operation hazard, or the products hazard) such limit of liability shall be the total limit of the company's liability during each annual policy period as the result of one or more than one occurrence, but said limit of liability shall apply separately to each project with respect to operations being performed away from premises owned by or rented to the insured;
- (3) with respect to any occurrence for which the notice of this policy is given in lieu of security, or when when this policy is certified as proof of financial responsibility under the provisions of the motor vehicle financial responsibility law of any state or province, such limit of liability shall be applied in accordance with the applicable terms of such law, except that the total limit of liability shall not be reduced.

(b) Divided Limits Plan

Coverage A -

The total liability of the company for all damages including damages for care and loss of services because of bodily injury sustained by one or more persons as the result of any one occurrence shall not exceed the limit of bodily injury liability stated in the declarations as applicable to "each occurrence." The total liability of the company for all damages because of (1) all bodily injury included within the completed operations hazard and (2) all bodily injury included within the products hazard shall not exceed the limit of bodily injury liability stated in the declarations as "aggregate."

Coverage B -

The total liability of the company for all damages because of all property damage sustained by one or more persons or organizations as the result of any one occurrence shall not exceed the limit of property damage liability stated in the declarations as applicable to "each occurrence." The total liability of the company for all damages because of all property damage to which this coverage applies shall not exceed the limit of property damage liability stated in the declarations as "aggregate."

Such aggregate limit shall apply separately with respect to each project away from premises owned by or rented to the named insured.

Aggregate limits of liability as stated in this policy shall apply separately to each annual policy period.

Coverage E -

The limit of liability for Premises Medical Payments Coverage stated in the declarations as applicable to "each person" is the limit of the company's liability for all medical expense for bodily injury to any one person as the result of any one accident; but subject to the above provision respecting "each person," the total liability of the company under Premises Medical Payments Coverage for all medical expense for bodily injury to two or more persons as the result of any one accident shall not exceed the limit of liability stated in the declarations as applicable to "each accident."

"insured premises" for Coverage E, means all premises owned by or rented to the named insured with respect to which the named insured is afforded coverage for bodily injury liability under this policy, and includes the ways immediately adjoining on land;

The injured person shall submit to physical examination by physicians selected by the company when and as often as the company may reasonably require. The company may pay the injured person or any person or organization rendering the services and the payment shall reduce the amount payable hereunder for such injury. Payment hereunder shall not constitute an admission of liability of any person or, except hereunder, of the company.

POLICY CONDITIONS AND DEFINITIONS

GENERAL CONDITIONS

The following Conditions apply except as otherwise indicated. Additional Conditions or modifications of the following Conditions may appear in the specific coverage sections.

1. **Premium.** All premiums for this policy shall be computed in accordance with the company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

If this policy is issued for a period in excess of one year with a specified expiration date and a premium is payable at each anniversary, such premium shall be determined annually on the basis of the rates in effect at the anniversary date.

If this policy is issued for a period without a specified expiration date, it may be continued by payment of the required premium for the succeeding annual period. Such premium must be paid to the company prior to each anniversary date; if not so paid, this policy shall expire on the first anniversary date that the said premium has not been received by the company.

2. **Time of Inception.** To the extent that coverage in this policy replaces coverage in other policies terminating noon standard time on the inception date of this policy, coverage under this policy shall not become effective until such other coverage has terminated.

3. **Cancellation.** This policy may be canceled by the named insured by surrender thereof to the company or any of its authorized agents or by mailing to the company written notice stating when thereafter the cancellation shall be effective. This policy may be canceled by the company by mailing to the named insured at the mailing address shown in the Declarations, written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

If the named insured cancels, the company shall, upon demand and surrender of this policy, refund the excess of paid premium above the customary short rates for the expired time. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

Notice of cancellation addressed to the named insured and mailed to the mailing address shown in the Declaration shall be sufficient notice to effect cancellation of this policy.

4. **Concealment or Fraud.** This policy is void if any insured has intentionally concealed or misrepresented any material fact or circumstance relating to this insurance.
5. **Assignment.** Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon. However, if the named insured shall die, this insurance shall apply:
 - (a) to the named insured's legal representative, as the named insured, but only while acting within the scope of his duties as such; or
 - (b) to the person having temporary custody of the property of the named insured but only until the appointment and qualification of the legal representative.

6. **Subrogation.**

(a) In the event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

(b) The company shall not be bound to pay any loss if the insured has impaired any right of recovery for loss, however, it is agreed that the insured may:

(1) as respects property while on the premises of the insured, release others in writing from liability for loss prior to loss, and such release shall not affect the right of the insured to recover hereunder; and

(2) as respects property in transit, accept such bills of lading, receipts or contracts of transportation as are ordinarily issued by carriers containing a limitation as to the value of such goods or merchandise.

7. **Inspection and Audit.** The company shall be permitted but not obligated to inspect the named insured's property and operations at any time. Neither the company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking on behalf of or for the benefit of the named insured or others to determine or warrant that such property or operations are safe or healthful or are in compliance with any law, rule or regulation.

The company may examine and audit the named insured's books and records at any time during the policy period and extensions and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

8. **Liberalization Clause.** In the event any filing is submitted to the insurance supervisory authorities on behalf of the company, and:

(a) the filing is approved or accepted by the insurance authorities to be effective while this policy is in force or within 45 days prior to its inception; and

(b) the filing includes insurance forms or other provisions that would extend or broaden this insurance by endorsement or substitution of form, without additional premium;

the benefit of such extended or broadened insurance shall inure to the benefit of the insured as though the endorsement or substitution of form has been made.

9. **Insurance Under More Than One Coverage, Part or Endorsement.** In the event that more than one coverage, part or endorsement of this policy insures the same loss, damage or claim, the company shall not be liable for more than the actual loss or damage sustained by the insured.

10. **Waiver or Change of Provisions.** The terms of this insurance shall not be waived, changed or modified except by endorsement issued to form a part of this policy.

COMMERCIAL POLICY
CONDITIONS APPLICABLE TO ALL SECTIONS

The Company agrees with the insured, named in the declarations made a part hereof, in consideration of the payment of the premium and subject to the limits of liability, amounts of insurance, exclusions, conditions and other terms of this policy to insure the insured in accordance with the provisions of the schedule or schedules attached hereto and made a part hereof.

A. Premium: All premiums for this policy shall be computed in accordance with the company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

Premium designated in this policy as "advance premium" is a deposit premium only which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period for part thereof terminating with the end of the policy period designated in the declarations as the audit period the earned premium shall be computed for such period and, upon notice thereof to the named insured, shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, the company shall return to the named insured the unearned portion paid by the named insured.

The named insured shall maintain records of such information as is necessary for premium computation, and shall send copies of such records to the company at the end of the policy period and at such times during the policy period as the company may direct.

B. Liberalization Clause: If during the period that insurance is in force under this policy, or within 45 days prior to the inception date thereof, on behalf of this company there be adopted, or filed with and approved or accepted by the insurance supervisory authorities, all in conformity with law, any changes in the form attached to this policy by which this form of insurance could be extended or broadened without increased premium charge by endorsement or substitution of form, then such extended or broadened insurance shall inure to the benefit of the insured hereunder as though such endorsement or substitution of form had been made.

C. Inspection and Audit: The company shall be permitted but not obligated to inspect the named insured's property and operations at any time. Neither the company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the named insured or others, to determine or warrant that such property or operations are safe or healthful, or are in compliance with any law, rule or regulation.

The company may examine and audit the named insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

D. Cancellation: This policy may be canceled by the named insured by surrender thereof to the company or any of its authorized agents or by mailing to the company written notice stating when thereafter the cancellation shall be effective. This Policy may be canceled by the company by mailing to the named insured at the address shown in this policy, written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

If the named insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

E. Deferred Premium Payment Plan: If the insured elects to pay the premium in equal annual payments as indicated on the first page of this policy the premium for this policy is hereby made so payable. Default in making any payment shall be construed as a request of the insured to cancel this policy, in which case this company shall, upon demand and surrender of this policy, or after ten days written notice to the insured, comply with the said request.

If this policy is canceled, either at the request of the insured or at the election of this company, this company shall refund to the insured only the excess of paid premium over earned premium. In the event the earned premium exceeds the paid premium the insured shall pay this company the difference.

F. Subrogation: In the event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery therefor against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

G. Impairment of Recovery: Except as noted below, this company shall not be bound to pay any loss if the insured shall have impaired any right to recovery for loss to the property insured; however it is agreed that:

1. As respects property while on the premises of the insured, permission is given the insured to release others in writing from liability for loss prior to loss, and such release shall not affect the right of the insured to recover hereunder, and
2. As respects property in transit, the insured may, without prejudice to this insurance, accept such bills of lading, receipts or contracts of transportation as are ordinarily issued by carriers containing a limitation as to the value of such goods or merchandise.

H. Conformity With Statute: The terms of this policy and forms attached hereto which are in conflict with the statutes of the state wherein this policy is issued are hereby amended to conform to such statutes.

I. Changes: Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

J. Assignment: Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon; If, however, the named insured shall die, such insurance as is afforded by this policy shall apply (1) to the named insured's legal representative, as the named insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the named insured, to the person having proper temporary custody thereof, as insured, but only until the appointment and qualification of the legal representative.

K. Modification of Terms: Any provisions contained in this policy (or supplements, schedules and endorsements attached thereto) which are in conflict with conditions A thru J above are hereby waived.

L. Extension: If coverage provided by this policy replaces a similar coverage of a policy expiring on the effective date of this policy, then coverage hereunder shall be extended to the expiration time of the policy so replaced.

IN WITNESS WHEREOF, the Company has caused this policy to be signed by its president and secretary at Seattle, Washington, and countersigned on the declarations page by a duly authorized representative of the company.

4. Insured's Duties In the Event of Occurrence, Claim or Suit

(a) In the event of an occurrence, written notice containing particulars sufficient to identify the insured and also reasonably obtainable information with respect to the time, place and

circumstances thereof and the names and addresses of the injured and of available witnesses, shall be given by or for the insured to the company or any of its authorized agents as soon as practicable.

(b) If claim is made or suit is brought against the insured, the insured shall immediately forward to the company every demand, notice, summons or other process received by him or his representative.

(c) The insured shall cooperate with the company and, upon the company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the insured because of injury or damage with respect to which insurance is afforded under this policy; and the insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

5. Action Against Company

No action shall lie against the company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the insured's obligation to pay shall have been finally determined either by judgment against the insured after actual trial or by written agreement of the insured, the claimant and the company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the company as a party to any action against the insured to determine the insured's liability, nor shall the company be impleaded by the insured or his legal representative. Bankruptcy or insolvency of the insured or of the insured's estate shall not relieve the company of any of its obligations hereunder.

6. Other Insurance

If, applicable to the loss, there is any valid and collectible insurance, whether on a primary, excess or contingent basis, available to the insured (in this or any other carrier), there shall be no insurance afforded hereunder as respects such loss; except, that if the applicable limit of liability of this policy is in excess of the applicable limit of liability provided by the other insurance, this policy shall afford excess insurance over and above such other insurance in an amount sufficient to afford the insured a combined limit of liability equal to the applicable limit of liability afforded by this policy. Insurance under this policy shall not be construed to be concurrent or contributing with any other insurance which is available to the insured.

7. Three Year Policy

If this policy is issued for a period of three years, the limits of the company's liability shall apply separately to each consecutive annual period thereof.

8. Arbitration

The company shall be entitled to exercise all of the insured's rights in the choice of arbitrators and in the conduct of any arbitration proceeding.

9. Policy Term

COMMERCIAL POLICY
CONDITIONS APPLICABLE TO ALL SECTIONS

THIS POLICY, with the insured, named in the declarations made a part hereof, in consideration of the payment of the premium and subject to the terms of liability, amounts of insurance, exclusions, conditions and other terms of this policy to insure the insured in accordance with the provisions of the schedule or schedules attached hereto and made a part hereof.

- A. **Premium:** All premiums for this policy shall be computed in accordance with the company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

Premium designated in this policy as "advance premium" is a deposit premium only which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period (or part thereof terminating with the end of the policy period) designated in the declarations as the audit period the earned premium shall be computed for such period and, upon notice thereof to the named insured, shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, the company shall return to the named insured the unearned portion paid by the named insured.

The named insured shall maintain records of such information as is necessary for premium computation, and shall send copies of such records to the company at the end of the policy period and at such times during the policy period as the company may direct.

- B. **Liberalization Clause:** If during the period that insurance is in force under this policy, or within 45 days prior to the inception date thereof, on behalf of this company there be adopted, or filed with and approved or accepted by the insurance supervisory authorities, all in conformity with law, any changes in the form attached to this policy by which this form of insurance could be extended or broadened without increased premium charge by endorsement or substitution of form, then such extended or broadened insurance shall inure to the benefit of the insured hereunder as though such endorsement or substitution of form had been made.

- C. **Inspection and Audit:** The company shall be permitted but not obligated to inspect the named insured's property and operations at any time. Neither the company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the named insured or others, to determine or warrant that such property or operations are safe.

The company may examine and audit the named insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

- D. **Cancellation:** This policy may be canceled by the named insured by surrender thereof to the company or any of its authorized agents or by mailing to the company written notice stating when thereafter the cancellation shall be effective. This policy may be canceled by the company by mailing to the named insured at the address shown in this policy, written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

If the named insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

- E. **Deferred Premium Payment Plan:** If the insured elects to pay the premium in equal annual payments as indicated on the first page of this policy the premium for this policy is hereby made so payable. Default in making any payment shall be construed as a request of the insured to cancel this policy, in which case this company shall, upon demand and surrender of this policy, or after ten days written notice to the insured, comply with the said request.

If this policy is canceled, either at the request of the insured or at the election of this company, this company shall refund to the insured only the excess of paid premium over earned premium. In the event the earned premium exceeds the paid premium the insured shall pay this company the difference.

- F. **Subrogation:** In the event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery therefor against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

- G. **Impairment of Recovery:** Except as noted below, this company shall not be bound to pay any loss if the insured shall have impaired any right of recovery for loss to the property insured; however it is agreed that:

1. As respects property while on the premises of the insured, permission is given the insured to release others in writing from liability for loss prior to loss, and such release shall not affect the right of the insured to recover hereunder, and
2. As respects property in transit, the insured may, without prejudice to this insurance, accept such bills of lading, receipts or contracts of transportation as are ordinarily issued by carriers containing a limitation as to the value of such goods or merchandise.

- H. **Conformity With Statute:** The terms of this policy and forms attached hereto which are in conflict with the statutes of the state wherein this policy is issued are hereby amended to conform to such statutes.

- I. **Changes:** Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

- J. **Assignment:** Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon; if, however, the named insured shall die, such insurance as is afforded by this policy shall apply (1) to the named insured's legal representative, as the named insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the named insured, to the person having proper temporary custody thereof, as insured, but only until the appointment and qualification of the legal representative.

- K. **Modification of Terms:** Any provisions contained in this policy (or supplements, schedules and endorsements attached thereto) which are in conflict with conditions A thru J above are hereby waived.

- L. **Extension:** If coverage provided by this policy replaces a similar coverage of a policy expiring on the effective date of this policy, then coverage hereunder shall be extended to the expiration time of the policy so replaced.

IN WITNESS WHEREOF, General Insurance Company of America has caused this policy to be signed by its president and secretary at Seattle, Washington, and countersigned on the declarations page by a duly authorized representative of the company.

Regardless of the number of (1) insureds under this policy, or (2) automobiles to which this policy applies, the company's liability is limited as follows:

Coverages A, B, C and D -

A. Divided Limits Plan

- (1) The limit of bodily injury liability expressed in the additional declarations as applicable to "each person" is the limit of the company's liability for all damages because of bodily injury sustained by one person as the result of any one occurrence; but the total liability of the company for all damages because of bodily injury sustained by two or more persons as the result of any one occurrence shall not exceed the limit of bodily injury liability stated in the declarations as applicable to "each occurrence". The total liability of the company for all damages because of all property damage to which this coverage applies shall not exceed the limit of property damage liability stated in the declarations as "aggregate".

Such aggregate limit shall apply separately with respect to each project away from premises owned by or rented to the named insured.

Aggregate limits of liability as stated in this policy shall apply separately to each annual policy period.

B. Combined Limits Plan

- (b) with respect to all damages arising out of property damage (other than mobile, the completed operation hazard, or the products hazard) such limit of liability shall be the total limit of the company's liability during each annual policy period as the result of one or more than one occurrence, but said limit of liability shall apply separately to each project with respect to operations being performed away from premises owned by or rented to the insured;

- (c) with respect to any occurrence for which the notice of this policy is given in lieu of security, or when this policy is certified as proof of financial responsibility under the provisions of the motor vehicle financial responsibility law of any state or province, such limit of liability shall be applied in accordance with the applicable terms of such law, except that the total limit of liability shall not be reduced.

For the purpose of determining the limit of the company's liability, all bodily injury and property damage arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one occurrence.

"products hazard" includes bodily injury and property damage arising out of the named insured's products or reliance upon a representation or warranty made at any time with respect thereto, but only if the bodily injury or property damage occurs away from premises owned by or rented to the named insured and after physical possession of such products has been relinquished to others;

Such insurance as is afforded by this policy for bodily injury liability or for property damage liability shall comply with the provisions of any motor vehicle financial responsibility law to the extent of the coverage and limits of liability required by such law but in no event in excess of the limits of liability stated in this policy.

Insured's Duties in the Event of Occurrence, Claim or Suit

In the event of an occurrence, written notice containing particulars sufficient to identify the insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the insured to the com-

pany or any of its authorized agents as soon as practicable. The named insured shall promptly take at his expense all reasonable steps to prevent other bodily injury or property damage from arising out of the same or similar conditions, but such expense shall not be recoverable under this policy.

If claim is made or suit is brought against the insured, the insured shall immediately forward to the company every demand, notice, summons or other process received by him or his representative.

The insured shall cooperate with the company and, upon the company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the insured because of bodily injury or property damage with respect to which insurance is afforded under this policy; and the insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of an occurrence.

Action Against Company

No action shall lie against the company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the insured's obligation to pay shall have been finally determined either by judgment against the insured after actual trial or by written agreement of the insured, the claimant and the company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the company as a party to any action against the insured to determine the insured's liability, nor shall the company be impleaded by the insured or his legal representative. Bankruptcy or insolvency of the insured or of the insured's estate shall not relieve the company of any of its obligations hereunder.

Other Insurance

If, applicable to the loss, there is any valid and collectible insurance, whether on a primary, excess or contingent basis, available to the insured (in this or any other carrier), there shall be no insurance afforded hereunder as respects such loss; except, that if the applicable limit of liability of this policy is in excess of the applicable limit of liability provided by the other insurance, this policy shall afford excess insurance over and above such other insurance in an amount sufficient to afford the insured a combined limit of liability equal to the applicable limit of liability afforded by this policy. Insurance under this policy shall not be construed to be concurrent or contributing with any other insurance which is available to the insured.

Three Year Policy

If this policy is issued for a period of three years, the limits of the company's liability shall apply separately to each consecutive annual period thereof.

Arbitration

The company shall be entitled to exercise all of the insured's rights in the choice of arbitrators and in the conduct of any arbitration proceeding.

Policy Term

In the event the policy is written without any insurance afforded under Section 1 - "Property" of the policy, the inception and expiration time shall be 12:01 A.M. Standard Time at the address of the insured as stated in the Declarations, otherwise such time shall be Noon Standard Time.

PERSONAL INJURY LIABILITY INSURANCE

1. COVERAGE P—PERSONAL INJURY LIABILITY

The company will pay on behalf of the insured all sums which the insured shall become legally obligated to pay as damages because of injury (herein called "personal injury") sustained by any person or organization and arising out of one or more of the following offenses committed in the conduct of the named insured's business:

Group A — false arrest, detention or imprisonment, or malicious prosecution;

Group B — the publication or utterance of a libel or slander or of other defamatory or disparaging material, or a publication or utterance in violation of an individual's right of privacy; except publications or utterances in the course of or related to advertising, broadcasting or telecasting activities conducted by or on behalf of the named insured;

Group C — wrongful entry or eviction, or other invasion of the right of private occupancy;

If such offense is committed during the policy period within the United States of America, its territories or possessions, or Canada, and the company shall have the right and duty to defend any suit against the insured seeking damages on account of such personal injury even if any of the allegations of the suit are groundless, false or fraudulent, and may make such investigation and settlement of any claim or suit as it deems expedient, but the company shall not be obligated to pay any claim or judgment or to defend any suit after the applicable limit of the company's liability has been exhausted by payment of judgments or settlements.

Exclusions

This insurance does not apply:

- (a) to liability assumed by the insured under any contract or agreement;
- (b) to personal injury arising out of the wilful violation of a penal statute or ordinance committed by or with the knowledge or consent of any insured;
- (c) to personal injury sustained by any person as a result of an offense directly or indirectly related to the employment of such person by the named insured;
- (d) to personal injury arising out of any publication or utterance described in Group B, if the first injurious publication or utterance of the same or similar material by or on behalf of the named insured was made prior to the effective date of this insurance;

This insurance does not apply to personal injury arising out of the conduct of any partnership or joint venture of which the insured is a partner or member and which is not designated in this policy as a named insured.

3. LIMITS OF LIABILITY: INSURED'S PARTICIPATION

Regardless of the number of (a) insureds under this policy, (b) persons or organizations who sustain personal injury, or (c) claims made or suits brought on account of personal injury, the total limit of the company's liability under this coverage for all damages shall not exceed the limit of personal injury liability stated in the declarations as "aggregate."

If a participation percentage is stated in the schedule for the insured, the company shall not be liable for a greater proportion of any loss than the difference between such percentage and one hundred percent and the balance of the loss shall be borne by the insured; provided, the company may pay the insured's portion of a loss to effect settlement of the loss, and, upon notification of the action taken, the named insured shall promptly reimburse the company therefor.
